IMPORTANT DATES AND EVENTS

At State Street Ballet Academy we believe that everyone should have the chance to dance.

We offer fun, safe dance classes for all ages and abilities, with multiple performance opportunities each year.

We specialize in teaching dance in an inclusive and encouraging manner, designed to build students' self-esteem as well as their skills.

As the official school of State Street Ballet, we bridge the gap between students and professional dancers, creating unique opportunities for children to train and perform alongside the experts.

It is never too late (or too early) to start dancing. Join us for class today!
