Adjudication 2023

An Adjudication process precedes the Festival in early spring. Each season a professional in the field of ballet is selected to become an Adjudicator who then gives constructive insights for our member companies. The Adjudicator visits each company on its home turf to evaluate their training methods, choreography, and non-profit organization. The Adjudicator becomes the Artistic Director of the Festival, having chosen works for 4 evenings of performances, and continuing the evaluation process throughout the performances. This process helps to maintain the standards of The Ballet Alliance, which values education, thus securing the future of our dancers.

For more information about our membership of The Ballet Alliance, please visit their website at <http://www.theballetalliance.org/>

Please join us on Tuesday, February 7th to support SSBYD!
